

## **Rich Together**

(Øystein Sørensen)

The northern lights dance in the sky  
And you are here  
So, I can't close my eyes  
And all I want  
Is to stay awake

Because you are here forever  
Like moon rise  
Like a sun set  
And we know  
We are rich together

I found the secrets that you left  
Cause they were hidden  
In your Zodiac draft  
I don't need to know  
I just have to believe

Because you are here forever  
Like moon rise  
Like a sun set  
And we know  
We are rich together
