

Amare, Amor and Amour
(Øystein Sørensen)

Love is the key to everything
We need from now
Open your heart to the magic
Just believe and turn in to

Amare, amor and amour
Our love's here to stay
Amare, amor and amour
From now on
Like today

Love will be here in a gathering
Of you and me
And playing your heart with his game
Hunting you endlessly with

Amare, amor and amour
Our love's here to stay
Amare, amor and amour
From now on
Like today
